# HOMETEAM<sup>TM</sup> TABLES

TRAINING TABLES FOR ATHLETES EVERYWHERE

by Clinton Industries

Clinton Industries believes it's time to cheer on athletes everywhere.

So we've used our 45 years of expertise in the design and manufacture of durable medical tables and equipment to develop HomeTeam Tables for the sports market. Because we believe every athlete should have access to quality equipment, we've made our tables affordable for everyone — small colleges, universities and even high schools. And we've designed them to stand up to the rigors of sports—season after season.

HomeTeam Tables are a win on design, a win on durability and a win on price, and that is a pretty good start to any season.

## HomeTeam Tables,™ Open Base, Hi-Lo Power Tables

HomeTeam Tables has a power play like no other. With a lineup of hi-lo power tables that puts athlete and training team on the same level. HomeTeam power tables are available in variety of configurations including robust 600 lb. capacity models with extra wide padded surfaces for larger athletes. Score big with HomeTeam Power Tables.

### POWER 400

#### SPECIFICATIONS

Overall 72" L x 27" W x 18-35" H

#### 82110

##### Power 400, Open Base Table with One Piece Top

- Features an easy-clean, one-piece top
- Electric power height adjustment with foot control
- Ultra-strong, uni-frame base and top construction
- Heavy duty, all welded, lift mechanism
- Durable gray powder-coated steel frame
- Self-lubricating pivot points
- Smooth 110 volt electric height adjustment
- Hands-free low voltage foot control
- Easy service, self contained, electrical components
- Seamless, rounded corner, upholstered top
- 2" ultra-firm padding
- Low height may help achieve ADA tax credit
- Customize with options
- Made in the USA by Clinton Industries
- 400 lbs. (181 kg) load capacity under normal use
